Good idea to have the purple shirts there. Sure, can you contact Blair?

About parking - let us know what lots are available so we can put that in the last e-blast.

Hi guys. I don't remember but wanted to circle back to ensure we have ample security for CCA's Holiday Party. I'm coordinating with L&R for the Joe's lots just north and across the street for our guests to park at. However, we will also have a substantial amount of folks walking or taking ride share.

Can we coordinate having some purple people that evening out front on the block by the parking entrances as well as the entrance to the venue. Those at the entrance for the duration of the event, plus a little to get everyone out. Can we also notify the Historic BID so they know we are there and if anyone asks - our event is at Majestics. I'm happy to reach out to Blair as the email intro for us to get a discussion started.

Let me know and thanks a bunch.
